

Give your wellbeing a boost with Calm Health

Find your way to less stress, better sleep and a happier, healthier you

You may have heard about or even used the Calm Health app. Now you have access to its most popular features and much more, available at no cost to you as part of your benefits. Calm Health can help you tackle stress, get a good night's sleep and feel more present in your life. You also can use it to build coping skills and resiliency to navigate life's uncertainties. It's all self-paced, with audio and video tools, so you can focus on what matters most to you, wherever you are and at your own speed, 24/7.

Relieve stress and anxiety

Explore practical tools, breathing exercises and quick courses designed to help you manage symptoms of stress and anxiety and help settle them in the moment.

Sleep better

Relax and fall asleep more easily with soothing Sleep Stories read by celebrities, meditations, natural sounds and exclusive music selections.

Live more mindfully

Get daily mindfulness, wisdom and encouragement to quiet your mind, build healthy habits and nurture positivity with short, guided sessions and courses.

Available 24/7 | Confidential | No additional cost

Calm Health should not be used for urgent care needs. If you are experiencing a medical emergency, call 911 or go to the nearest emergency room. If you are experiencing a non-life-threatening mental health crisis, call or text **988**. Calm Health is not intended to diagnose or treat depression, anxiety or any other mental or physical health condition. The use of Calm Health is not a substitute for care by a physician or other health care provider. Any questions that you may have regarding the diagnosis, care or treatment of a health condition should be directed to your physician or health care provider. Calm Health is a mental wellness product. Participation is voluntary and subject to the Calm Health terms of use.
